

Make your voice heard on healthcare reform

Call your senators and tell them we need healthcare reform **NOW** that:

- Controls costs and doesn't tax our benefits.
- Provides affordable coverage for all Americans.
- Encourages competition by including a public health insurance plan option.
- Prevents employers from dropping coverage.
- Prevents shifting new Medicare costs to states.

**Call your senators on Oct. 7:
866/327-8670.**
