CONTRACT BULLETIN

Second Session with RU

On March 15, 2007, the PTL Bargaining Team met with administration representatives to continue discussing our initial contract proposals. We had a productive discussion with the administration about a variety of issues, including our ideas for strengthening the contract language on job security, improving the grievance procedure, and providing PTL's with more input into departmental policies and procedures.

We have not yet presented our full salary proposal to RU. We plan to do so after reviewing information on current salaries, course loads, and years of service of PTLs

At the next session, which is set for Friday, April 13, RU will provide us with responses to all of our proposals. It is likely that they will also have their own proposals on various contract provisions.

Additional bargaining sessions have been scheduled for May 1, June 5, and June 22. Our contract expires June 30, 2007.
